Apex 4FS 48V LSV

BEYOND THE FAIRWAY

REDEFINE YOUR RIDE

Discover the Apex 4FS, the premium Low-Speed Vehicle (LSV) that blends exhilarating performance with first-class comfort for four. Engineered for more than just the golf course, the street-legal Apex 4FS is your new favourite way to connect with your community, run local errands, and enjoy the journey in style.

- **STREET-LEGAL LSV CERTIFIED**
- **FOUR FORWARD-FACING LUXURY SEATS**
- **HIGH-PERFORMANCE 150AH LITHIUM BATTERY**
- **10.1" TOUCHSCREEN WITH APPLE CARPLAY®**

YOUR WORLD, SEAMLESSLY CONNECTED

The Apex 4FS puts advanced technology at your fingertips, creating an intuitive and entertaining driving experience. The centrepiece is a stunning 10.1-inch Bluetooth touchscreen that serves as your command center.

- **Total Infotainment:** Connect your smartphone for **Apple CarPlay®**, giving you access to maps, messages, and your favourite apps. Stream media via USB or make hands-free calls with crystal clarity.
- **Hi-Fi Sound Experience:** A **premium Bluetooth soundbar** delivers rich, immersive audio for your music and podcasts. It can be paired directly with your phone or controlled through the main touchscreen.
- **Smart & Simple Charging:** The intelligent onboard charger lets you plug the Apex 4FS directly into any standard 110-Volt household outlet. No special equipment required.

DYNAMIC PERFORMANCE. UNCOMPROMISING SAFETY.

Experience a ride that's both thrilling and secure. The Apex 4FS is built from the ground up to deliver exhilarating performance backed by automotive-grade safety features.

- **Powerful AC Drive:** The 5 kW AC motor provides smooth, silent, and powerful acceleration. Switch between **Regular** and **Sport** modes with a dash-mounted button to instantly tailor the vehicle's performance to your mood.
- **Extended Lithium Range:** The advanced 150Ah LiFePO4 battery offers exceptional range, faster charging, and a longer lifespan than traditional batteries, with zero maintenance.
- **Superior Braking:** A **4-wheel hydraulic disc brake system** provides incredible stopping power. The system is enhanced by an **Auto Park Brake** that engages automatically when you stop, regenerative engine braking, and a manual emergency brake release.
- **LSV Certified Safety:** Drive with peace of mind knowing you're protected by DOT-approved 3-point seat belts, a DOT-rated folding windshield, and rearview mirrors with integrated LED turn signals.

FIRST-CLASS COMFORT FOR FOUR

Every detail in the Apex 4FS is crafted for a superior passenger experience. Unlike traditional carts, all four occupants face forward in plush, automotive-style seats from the Comfort Luxury Pack.

- **Ergonomic Cockpit:** The driver will appreciate the sporty steering wheel with **tilt steering**, allowing for the perfect driving position.
- **Premium Finishes:** Your feet rest on durable, **premium marine-grade waterproof carpet** that's both luxurious and easy to clean.
- **Smooth & Stable Ride:** An adjustable **independent coil-over double A-arm front suspension** soaks up imperfections, delivering a remarkably smooth ride.
- **Intelligent Storage:** Secure your valuables in the **large, lockable rear trunk**. Heading to the course? The **EzFit Golf Bag Rack** makes loading and unloading your clubs a breeze.
