## **Apex F4R 72V H.O. LSV**

**PERFORMANCE,**

**LUXURY,**

**REDEFINED!**

Prepare for an experience that shatters every expectation of a personal transport vehicle. The Apex F4R is the pinnacle of engineering, a street-legal LSV designed for those who demand uncompromising power and sophisticated luxury. With a monstrous 72-Volt powertrain and a track-inspired suspension, the F4R isn't an upgrade—it's in a class of its own.

- **HIGH-OUTPUT (H.O.) 7.5 KW HIGH-TORQUE 72-VOLT AC MOTOR**
- **LOWERED WIDE TRACKING PERFORMANCE SUSPENSION**
- **STANDARD TILT, POWER STEERING & POWER BRAKES**
- **EXTREME HIGH-PERFORMANCE, SPORT MODE MAPPING**
- **MASSIVE 190Ah Lithium (LiFePO4) battery**

---

## **RELENTLESS POWER. REFINED CONTROL.**

The soul of the Apex F4R is its monstrous 72-Volt powertrain. The high-torque 7.5 kW AC motor delivers breathtaking, instant acceleration, powered by a massive 190Ah Lithium (LiFePO4) battery for extended range and unwavering performance. This is power you don't just use; you feel it.

- **Dual Performance Modes:** Seamlessly switch between a smooth, efficient **Regular Mode** for relaxed cruising and the track-inspired **Sport Mode**.
- **A WORD OF CAUTION: EXTREME ACCELERATION IN SPORT MODE.** Engaging Sport Mode unlocks the F4R's full, untamed potential. This activates an extremely rapid, high-performance engine mapping program designed for maximum

acceleration. This mode is reserved for experienced drivers in appropriate, controlled environments. **Fully programmable and can be tailored to your needs.**

### **THE ART OF THE RIDE: H.O. SUSPENSION**

The revolutionary High-Output (H.O.) Suspension system transforms the ride into a true performance driving experience. The entire chassis is engineered for stability and exhilarating handling.

- **Track-Inspired Stance:** A wide track, extended wheelbase, and lowered ride height create a low center of gravity for incredible stability and agile cornering.
- **Automotive-Grade Handling: Power Steering** makes maneuvering effortless, while **Power Brakes** with eye-catching red callipers provide confident, automotive-grade stopping power.
- **Responsive Drivetrain:** A high-ratio trans-axle ensures that the F4R's immense power is translated to the road with thrilling immediacy.

### **FIRST-CLASS, FROM COCKPIT TO CURB**

Every detail of the Apex F4R is curated for an unparalleled luxury experience. All four passengers ride in forward-facing, premium high-back seats, exquisitely detailed with diamond stitching and embroidered designs.

- **Command Center:** The driver-focused cockpit features a sport steering wheel with **tilt functionality**, placing you in the perfect position to command the road.
- **Immersive Sound & Tech:** The **10.1-inch touchscreen** with **Apple CarPlay®** and **Android Auto™** serves as your navigation and infotainment hub, while the **premium 4-speaker sound system** provides a rich audio backdrop for your journey.
- **Sophisticated Finishes:** From the premium **marine-grade waterproof carpet** to the brilliant full LED lighting, every element signifies class-leading quality. The practical, **large lockable rear trunk** and **EzFit Golf Bag Rack** ensure you don't have to compromise on utility.

## APEX F4R: TECHNICAL SPECIFICATIONS

### **POWER & PERFORMANCE**

- **Motor:** 7.5 kW 72-Volt High-Torque AC
- **Battery:** 190ah Lithium-LiFePO4
- **Controller:** Programmable AC Controller
- **Performance:** Dash-Selectable Regular & Extreme Sport Modes
- **Charger:** Onboard 110V / 25-Amp Smart Charger

### H.O. SUSPENSION & HANDLING

- **Steering:** Power Steering with Tilt Function
- **Brakes:** Power Brakes, 4-Wheel Hydraulic Disc w/ Red Calipers
- **Parking Brake:** Automatic Electronic Parking Brake
- **Front Suspension:** Wide Track, Lowered, Independent Coil-Over Double A-Arm, Adjustable
- **Rear Suspension:** Wide Track, Lowered, Trans-axle with Hydraulic Shocks
- **Chassis:** Extended Wheelbase, Lowered Ride Height

### TECHNOLOGY & ENTERTAINMENT

- **Infotainment:** 10.1" Bluetooth Touchscreen Instrument Cluster
- **Features:** Apple CarPlay®, Android Auto™, Backup Camera, Hands-Free Calling
- **Audio:** Premium 4-Speaker Sound System with AUX Input
- **Outlets:** On-Dash USB and 12-Volt Outlets

### LUXURY, SAFETY & CONVENIENCE

- **Certification:** LSV (Low-Speed Vehicle)
- **Seating:** Four Forward-Facing, Premium High-Back w/ Diamond Stitching
- **Wheels:** Unique 14-inch Alloy
- **Tires:** 14" Turf or Steel-Belted Radial Road Tires
- **Lighting:** Full LED Package (Hi/Low Headlights, Taillights, Turn Signals)
- **Safety:** 3-Point DOT Seat Belts (Front & Rear), DOT Folding Acrylic Windshield
- **Storage:** Large Lockable Rear Trunk, EzFit Golf Bag Rack
