## **Kodiak 1000 EFI ATV**

### **DOMINATE EVERYTHING.**

This isn't just an ATV; it's a force of nature. The Kodiak 1000 EFI is engineered for the rider who demands ultimate power, advanced technology, and uncompromising performance. With a monstrous 92 HP V-Twin engine and a chassis built to conquer, every trail is now your dominion.

- **92 HORSEPOWER V-TWIN ENGINE**
- **ADVANCED TORSIONAL (TTI) REAR SUSPENSION**
- **STANDARD EPS, 3500 LBS WINCH & TFT DISPLAY**
- **14-INCH BEADLOCK WHEELS INCLUDED**

---

## **THE HEART OF A PREDATOR**

Unleash the thunderous power of the 976cc, SOHC V-Twin engine. Generating a class-leading **92 horsepower** and **95 N.m of torque**, this beast offers breathtaking acceleration and monstrous pulling power. The industry-leading BOSCH Electronic Fuel Injection (EFI) system ensures crisp, immediate throttle response and flawless performance in any weather or at any elevation.

- **Total Command Drivetrain:** The robust automatic CVT transmission (P-R-N-L-H) and shaft drive deliver power efficiently and reliably.
- **Unflinching Grip:** Instantly switch from 2WD to 4WD on demand. When the terrain turns brutal, engage the front differential lock to claw your way over any obstacle with absolute confidence.

### **PRECISION CONTROL OVER ANY TERRAIN**

Power is nothing without control. The Kodiak 1000 EFI features a state-of-the-art suspension system designed for high-performance handling and incredible comfort.

- **Advanced Suspension Dynamics:** The front features independent arched double A-arms with a sway bar for maximum ground clearance and stable cornering. The rear utilizes a Torsional Trailing arm Independent (TTI) suspension, ensuring the wheels stay planted for superior traction and a smoother ride.
- **Effortless Steering:** Standard Electric Power Steering (EPS) provides variable assistance, making steering light at low speeds and stable on fast trails, drastically reducing rider fatigue.
- **Authoritative Stopping Power:** High-performance dual 260mm disc brakes with hydraulic twin-piston calipers on both the front and rear wheels deliver massive, confidence-inspiring stopping power.

### **EQUIPPED FOR ADVENTURE. RIGHT FROM THE START.**

Why pay more for essential features? The Kodiak 1000 EFI comes fully loaded with a premium accessory package at no extra cost, offering incredible value and capability from day one.

### **INCLUDED STANDARD FEATURES:**

- **5-inch Full-Colour TFT Display:** A stunning, modern interface for all your vehicle data.
- **Electric Power Steering (EPS):** For all-day comfort and control.
- **3500 lbs Winch:** Get yourself—or your friends—out of any tough spot.
- **14-Inch Beadlock Wheels:** A true performance upgrade that secures the tire to the rim, allowing you to run lower pressures for maximum traction without compromise.
- **Full LED Lighting:** Brilliant white LED headlights (Low/High) and red LED tail/brake lights for superior visibility.
- **Rear View Mirrors:** For added safety and awareness on the trail.

#### **AVAILABLE UPGRADES:**

- Heavy-Duty Front Brush Bumper
- Rear Storage Trunk

#### **KODIAK 1000 EFI: TECHNICAL SPECIFICATIONS**

##### **ENGINE & DRIVETRAIN**

- **Engine Type:** 976cc, V-Twin, SOHC, 4-Stroke, Water-Cooled
- **Fuel System:** BOSCH® Electronic Fuel Injection (EFI)
- **Horsepower:** 92 HP (68kw) @ 7300 RPM
- **Max Torque:** 95 N.m @ 5500 RPM
- **Transmission:** Automatic CVT (P-R-N-L-H)
- **Drive System:** Shaft Drive; On-Demand 2WD/4WD with Front Differential Lock

##### **SUSPENSION & BRAKES**

- **Front Suspension:** Independent Arched Double A-Arm w/ Sway Bar
- **Rear Suspension:** Torsional Trailing arm Independent (TTI)
- **Front Brakes:** Dual 260 mm Disc Brakes, Hydraulic Twin-Piston Calipers
- **Rear Brakes:** Dual 260 mm Disc Brakes, Hydraulic Twin-Piston Calipers

##### **DIMENSIONS & CAPACITIES**

- **Overall (L x W x H):** 96.5 x 50.8 x 59 in (2450 x 1290 x 1500 mm)
- **Wheelbase:** 59 in (1493 mm)
- **Ground Clearance:** 13 in (330 mm)
- **Seat Height:** 36.75 in (933 mm)
- **Dry Weight:** 1014 lbs (460 kg)
- **Payload Capacity:** 740 lbs (336 kg)
- **Rear Rack Capacity:** 150 lbs (68 kg)
- **Seating:** 2 Persons
- **Fuel Capacity:** 4.8 Gallons
