- **Fully Loaded with Modern Tech: TFT Display, Bluetooth & TPMS**
- **Thrilling Performance with Confident Stability**
- **Full LED Lighting for Striking Visibility**
- **Conforms to US DOT & EPA and California Regulations**

---

### **V-TWIN SOUL, MODERN PERFORMANCE**

At the heart of the Triton Trike is a potent 398cc V-Twin engine, delivering the unmistakable rumble and torque that riders crave. The advanced Electronic Fuel Injection (EFI) system ensures crisp, immediate throttle response and reliable performance, while the smooth CVT belt drive transmission makes for an effortless yet exhilarating ride.

**Exhilarating Power:** With 32 HP on tap, the Triton Trike offers spirited acceleration, and its speed is **electronically limited to** 70 mph (113 km/h), making it perfect for both thrilling city cruising and confident highway touring.

**Performance Handling:** The advanced chassis, featuring a double A-arm front suspension and an independent swing arm rear, provides a sporty, planted feel. Carve through corners with unmatched confidence and control.

### **ADVANCED TECH AT YOUR COMMAND**

The Triton Trike 400 EFI is packed with the latest technology to enhance your safety, convenience, and enjoyment on every journey.

- **Vibrant TFT Command Center:** A beautiful full-colour TFT LCD digital display provides all your vital information—speed, RPM, fuel, and more—in a clear, easy-to-read format.
- **Stay Connected:** Integrated Bluetooth audio and mobile connection allows you to stream your favourite playlist or take calls on the go, turning every ride into an adventure with its own soundtrack.
- **Ride with Confidence:**
  - **TPMS:** An onboard Tire Pressure Monitoring System keeps you informed of your tire status in real-time.
  - **CBS Brakes:** Front and rear disc brakes with a Combined Braking System (CBS) provide balanced and powerful stopping power.
  - **Driving Recorder (Optional):** Capture every moment of your journey and add an extra layer of security.

### **DESIGNED TO TURN HEADS**

With its aggressive stance, wide rear tire, and striking lines, the Triton Trike 400 EFI is a masterpiece of modern design. From the brilliant full LED lighting to the stylish aluminum wheels, every detail is crafted to stand out.
